EDUCATION

- **MCA**
  D. Y. Patil DPGU, Tathwade, Pune
  Aug 2025 - 2027

- **BCA**
  MJ College, Jalgaon
  2023 - 2025

SKILLS

- Data Cleaning
- Data Visualization
- Machine Learning
- Building Tools & Automation
- Python

LANGUAGE

- English
- Marathi (Mother Tongue)
- Hindi

ABOUT ME

Aspiring Data Scientist with hands-on experience in machine learning, data automation, and predictive analytics. Currently pursuing MCA at DY Patil and certified by Datamites, with 6 months of industry exposure at Rubix IT Solutions. Skilled in Python automation, EDA, and end-to-end ML workflows.

PROJECTS

- **Predictive ITSM Analytics Engine**   ----   Rubix IT Solutions

  Developed a machine learning system that predicts ticket priorities, forecasts incidents, auto-tags tickets, and detects change-related failures, improving overall ITSM performance.
  Github

- **Vizion Data Automation Library**

  Automated data science workflows with custom Python modules for cleaning, visualization, and repeated analysis tasks.
  pip install vizion

CERTIFICATES

- **Certified Data Scientist - Trainee**   May 2025 - Aug 2025
  Datamites, City Vista, Kharadi, Pune
  Certificate

- **Data Science - Internship (6 Months)**   May 2025 - Nov 2025
  Rubixe IT Solutions, Banglore
  Certificate

TECHNICAL STRENGTH

- **Exploratory Data Analysis (EDA)**
- **Feature Engineering & Data Preprocessing**
- **AI-Assisted Development (Cursor, ChatGPT, GitHub Copilot)**
- **Python Automation & Scripting**
- **Model Building & Optimization**
